

# FIFTH GRADE FAMILIES' RESERVED SEATING ORDER FORM

Dear Fifth Grade Families,

The Cushman School fifth grade production, "ALICE IN WONDERLAND", will be held on Wednesday, May 16, 2018, and Thursday, May 17, 2018, at Barry University's Broad Center for the Performing Arts. Your 5<sup>th</sup> grader will perform in both productions. There are special reserved seating sections (left, right and center) for fifth grade families and their guests. Tickets for fifth grade families and guests are \$5.00 each.

For each night's performance, we will provide a special reserved seating area in the theater for the families and guests of the fifth-grade students. There will be a family limit of 8 seats per night in this reserved section. A ticket for each night's performance will be issued with the row and seat number noted for each guest. Additional family and friends over the 8 reserved seat limits may sit in the non-reserved sections of the theater. There is ample seating and all seats have unobstructed views.

Please order your reserved seating by filling in the form below and returning it to school by **Wednesday, May 2, 2018. Tickets will be distributed to students after the Wednesday, May 16<sup>th</sup>, rehearsal at Barry University at noon pick-up.** For questions, call Loretta Kleinman at 305-756-8189.

Please detach and return to the Main Office:
